

Lancer EX GLS 2010

Mitsubishi Lancer first hit the streets in 1973 and has never looked back. Over the past three decades, Lancer has evolved into a sports machine like no other, turning heads on city streets and rally courses alike. After nine generations of development, Mitsubishi's passion for driving has created a blend of power, performance and aerodynamics that will have sports driving connoisseurs instantly hooked, all combined with a style that is undeniably Lancer. Meet the Lancer EX GLS 2010 at Caribbean Motors.

MITSUBISHI MOTORS
Drive@earth

From this moment forward, Caribbean Motors will use the Mitsubishi tagline that has been adapted world wide.

What does Drive@earth stand for?

Rally-tested toughness, performance and reliability make Mitsubishi Motors a trusted name on five continents. Through this trust, Mitsubishi vehicles forge a connection to customers, to communities, and ultimately to the natural world around us. Second, Drive@earth means a new emphasis on environmental issues. With climate change and dwindling oil reserves on the minds of drivers around the world, automakers have a special responsibility. Caribbean Motors acknowledges this responsibility and therefore is proud to use the new tagline accordingly.

Prices mentioned in this newsletter do not include 5% ob and are subject to change.
